Beacon Offers Helping Hands to Community

Beacon residents and Civitans clean up park

During the summer Beacon program participants lent a helping-hand to the Fairfax Civitans to clean up a small park in Fairfax City. The Beacon-Civitan team removed 10 bags of trash and debris to improve the conditions and appearance of the public space.

Beacon participants also helped out at the Baileys Crossroads Community Shelter packing and distributing bag lunches, serving meals and engaging with shelter residents.

For the men of the Beacon it was a way of "giving back" to the community for the help they have received.
