

**Welcome Spring and Help OAR of Fairfax County
Go Green and Join the “Flower Power” Fundraising Drive**

Dear Friend of OAR of Fairfax County,

We've just launched our online fundraising campaign with [Flower Power Fundraising](#).

Flower Power is offering top-quality, best-selling flower bulbs and plants, shipping directly to your friend or family member, and they're giving us a 100% satisfaction guarantee. It's hard to go wrong with that!

We created a special page for all of our friends and family to come to and support our great cause! All you need to do is visit the site and add the email addresses of the friends and family members you think will want to support you.

To start supporting OAR of Fairfax County today just click on the link below and follow the instructions once you're there. It's completely safe and any email address you enter into the site will only be used for our fundraiser. Flower Power will not sell or use the names for any other purpose. [Click here to continue](#)

Featured Product above left: Summer Garden Collection...your Price — Just \$20

How it works: For every purchase your friends or family make, OAR of Fairfax County, will receive 50% of the total sale. So, if "Cousin Sally" comes to the site and makes a purchase of \$40... OAR of Fairfax County will get \$20 to use toward our fundraising goal.

Questions? What's really great about this fundraising program is that our partner, Flower Power Fundraising, is totally committed to our cause. For any questions please get in touch with OAR at 703-246-3033 or, for technical questions related to the site call Flower Power Fundraising at 1-877-605-3185.

Thank you for your support and Happy Spring!
OAR of Fairfax County
