**A Message from the  
 Chairman-elect  
 of the Board of Directors**

Board Chair,  
 E. Todd Stubblefield

Dear Friends of OAR,

I am humbled by the task that is before us and honored by the trust put in me to continue the good work started by those before me. Next year, OAR of Fairfax County will celebrate 40 years of transforming the lives of people in our community and we will work to maintain the quality and reach of our programs.

As a board member, I am impressed with the organization's ability to move quickly and adapt to the changing needs of the community. Leading during this turbulent time means making hard decisions that will position us to meet challenges and take advantage of opportunities in the next year.

And to meet the needs of the community, we have assembled a professional and dedicated staff to offer the life changing programs for currently and formerly incarcerated adults in our community.

I look forward to working with each of you and making a difference in the lives of Fairfax County individuals and families in need. I welcome your thoughts and suggestions about the future of OAR by e-mail at [info@oarfairfax.org](mailto:info@oarfairfax.org). With your support OAR will continue to prosper so that we can serve even more clients today and for another 40 years.

Sincerely,

E. Todd Stubblefield  
 Board Chair
